

VR Action-Adventure Game, *The Tale of Onogoro*, The PlayStation®VR2 version is available today!

February 22nd, 2023, Tokyo – AMATA Games, the indie game publishing brand operated by AMATA K.K., is pleased to announce that the PS VR2 version of the VR Action-Adventure Game, *The Tale of Onogoro* is available today.

***The Tale of Onogoro* for PS VR2 is available today!**

Today, the PS VR2 version of *The Tale of Onogoro* was released on the PS Store.

In addition to the improved graphics quality that takes advantage of the PS VR2's capabilities, the new system also takes advantage of PS VR2's unique features such as headset vibration, trigger effects, and haptic feedback, allowing for a more immersive gaming experience.

For those who already own the PS VR version, a free upgrade to the PS VR2 version (save data and trophies are not shared) is supported.

In addition, we have also released the Soundtrack Edition of *The Tale of Onogoro* on PS VR2.

About *The Tale of Onogoro*

The Tale of Onogoro was created by producer/director Hiromichi Takahashi and the development team behind the VR Escape-the-Room game *Last Labyrinth*. *Last Labyrinth* received numerous accolades at game and VR events worldwide due to its unique VR experience.

The Tale of Onogoro combines traditional Japanese culture and steampunk elements to create its unique world. The Player travels with Haru, a Japanese high priestess, solving sprawling puzzles and battling giant beast-like beings called “Kami” along the way.

This game was first released worldwide on Meta Quest Store on March 17, 2022. It was released on Steam on September 28, PICO Store on October 20, Meta Rift Store on December 9, and PlayStation Store (PS VR) on December 26. Then, on February 22, 2023, the game was made available on PlayStation® VR2.

About **AMATA Games**

AMATA Games is the brand that publishes indie games operated by AMATA K.K. AMATA K.K. is a game development company with the mission “To make the world more entertaining”. Having gained experience developing and publishing VR Escape-the-Room Game *Last Labyrinth* as an indie game, we at AMATA wish to spread the joy of indie games more by making it possible to enjoy fun games on all kinds of hardware.

Therefore, we launched our publishing brand AMATA Games in August 2021 based on our belief that we can support indie game developers by taking charge of multi-platform porting and operations for good indie games that we find “Super fun!” so that we can share their appeal to more people.

As of February 2023, we operate our proprietary titles *Last Labyrinth*, *The Tale of Onogoro* as well as *NOSTALGIC TRAIN* and *Backpack Twins*.
