About *The Tale of Onogoro*

The Tale of Onogoro was created by producer/director Hiromichi Takahashi and the development team behind the VR Escape-the-Room game *Last Labyrinth*. *Last Labyrinth* received numerous accolades at game and VR events worldwide due to its unique VR experience.

The Tale of Onogoro combines traditional Japanese culture and steampunk elements to create its unique world. The Player travels with Haru, a Japanese high priestess, solving sprawling puzzles and battling giant beast-like beings called “Kami” along the way.

This game was first released worldwide on Meta Quest Store on March 17, 2022. It was released on Steam on September 28, 2022, and will be available on Oculus Rift, PICO, and PlayStation®VR in the future.
