

VR Action-Adventure Games, *The Tale of Onogoro* and VR Action RPG, *RUINSMAGUS* Bundle on Steam!

October 21st, 2022, Tokyo – Amata K.K., in collaboration with CharacterBank Inc. and Mastiff, LLC, is pleased to announce the bundled release of the VR action-adventure game "The Tale of Onogoro" and the VR action RPG "RUINSMAGUS" on Steam starting today.

***The Tale of Onogoro* + *RUINSMAGUS* Bundle for SteamVR is Now Available**

The Tale of Onogoro and *RUINSMAGUS* bundle, a Japanese anime-style VR action-adventure game, is now available on Steam.

Developed by CharacterBank Inc., *RUINSMAGUS* puts players in the role of a Magus armed with a magical gauntlet as you explore the mysterious Ruins beneath the city. Joining you on your adventure is your companion Iris, a novice researcher, as you uncover the dark secrets and prevent a terrifying future in this narrative action adventure.

The Tale of Onogoro and *RUINSMAGUS* is perfect for fans of Japanese anime, and we wanted to recommend them together, which is why we have created this bundle edition.

Each is available at a discount price compared to purchasing them individually.

Those who have already purchased *The Tale of Onogoro* or *RUINSMAGUS* will also receive a discount and can enjoy the other title as well.

About *The Tale of Onogoro*

The Tale of Onogoro was created by producer/director Hiromichi Takahashi and the development team behind the VR Escape-the-Room game *Last Labyrinth*. *Last Labyrinth* received numerous accolades at game and VR events worldwide due to its unique VR experience.

The Tale of Onogoro combines traditional Japanese culture and steampunk elements to create its unique world. The Player travels with Haru, a Japanese high priestess, solving sprawling puzzles and battling giant beast-like beings called "Kami" along the way.

This game was first released worldwide on Meta Quest Store on March 17, 2022. It was released on Steam on September 28, 2022, and on PICO Store on October 20, 2022. The game will be available on Oculus Rift and PlayStation®VR in the future.
