

## Steam VR Versions of Four Japanese-developed VR Adventure Game Titles are Available as a Bundle at a Great Price!

Bundle versions of Amata-developed *The Tale of Onogoro* and *Last Labyrinth* as well as MyDearest-developed *TOKYO CHRONOS* and *ALTDEUS: Beyond Chronos* will be on sale on Steam!

November 23rd, 2022, Tokyo – Amata K.K. are collaborating with MyDearest, Inc. to deliver bundle versions of four leading VR games from the two companies (two titles each), going on sale in time for the Steam Autumn Sale 2022.

### SteamVR Version Bundle of *The Tale of Onogoro* and *Last Labyrinth*, *TOKYO CHRONOS*, and *ALTDEUS: Beyond Chronos* Now Available

Amata and MyDearest are coming together to collaborate on Steam! These leading Japanese VR game development companies have worked together to deliver the “VR Adventure Bundle” containing four VR adventure game titles (two from each company) on Steam, going on sale today at a special 20% off the price.

The four titles of *Last Labyrinth* and *The Tale of Onogoro* from Amata and *TOKYO CHRONOS* and *ALTDEUS: Beyond Chronos* from MyDearest are available to buy at a lower price than if bought individually. For those who have already bought some of the relevant titles, you can still find the others for a special price, so please check them out and enjoy the four titles together.

These four titles are also part of the Steam Autumn Sale 2022, which begins today, so the bundle versions will be available at an even better price during this sale. Don’t miss this great chance!
